**Old Business:**

The Cat Appraiser was out to appraise the Motor Grader, the Freightliner and the Cat Trash Truck on  
January 20, 2026. He produced a lengthy appraisal which was forwarded to all board members to  
review.

A discussion ensued among the board members and Landfill Supervisor Jeff Evans.

A motion was made by Vice-Chairman Seth Rauch and seconded by Secretary-Treasurer Dean Martin to  
put the Motor Grader up for Sale with a minimum bid of \$55,000. Motion passed.

Chairman Clawson suggested going to the Big Equipment web site to list both trash trucks.

Landfill Supervisor Jeff Evans, stated we are wanting to buy a new trash truck. Mr. Evans will check if the big dealerships take trade-ins or if they would sell them for us on consignment. Chairman Clawson said selling something on consignment the company usually take 10 or 15 % of what the item sells for.

Clerk/Manager Sue Rigano stated we are still having issues with the Skid Steer at Bairoil, every time the employees need to use it, they must charge the battery. We purchased a new battery in 2023, have had it worked on several times since then. The Cat mechanic said the stereo was draining the battery, so he disconnected it. Chairman Clawson suggested having a disconnect switch added to the machine. The Board Members agreed. A motion was made by Seth Rauch and seconded by Dean Martin to install a disconnect switch on the Skid Steer. Motion passed. Landfill Supervisor Jeff Evans will take care of this.
